

Amarillo By Morning is Shooting for Sight

Saturday August 21, 2010

7:30AM OPEN (8:00AM Safety Meeting)

Amarillo By Morning is shooting for Sight!

Through a loved one or a friend, sight affects all our lives. This five-person fun shoot is a fun way to create awareness about “Vision for All”, and raise funds that provide vision care to those in need. **To ensure that valuable funds being raised by teams and individuals go to vision care, we need your help.** The Amarillo By Morning Shooting for Sight event is in need of underwriters, sponsors and teams. Please check the box of the level you want to sponsor
